

“Calculated Wonders”

Two of the most profound prophetic numbers in [2701](#) and [1111](#) were intimately entwined from “the foundations” of the world predestined to its “Eternal Perfection” at its end. Each of these two numbers feature deep spiritual implications in their correlation with the more familiar numbers of prophecy in 37 and 153. [Numbers 3:7](#) highlighted at the [3700th](#) verse in the bible reflects [Numbers 1:53](#): **to keep charge of the testimony of the covenant.**

2701, the gematria value of the first verse in the bible is the result of 37 times its reflective “73.” “37” is extremely rare in holding dual star & hexagon properties. 2701 happens to be the 73rd triangular number. From the very “beginning,” the digits 2-7-0-1 point to redemption. For example, the “[172 words](#)” of the Ten Commandments represent God’s gift of His promise to the world. At age “[127](#)” Sarah was laid to rest in the promise land of Canaan, “according to the time of life” ([Gen 23:1, 18:10, 14](#)). Significantly, last year 2017 was the first time that [Chai Sarah](#) fell on “[11/11](#)” in 73 years. This date proved to be the ultimate time post in the countdown to the end.

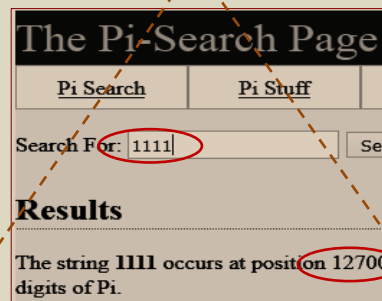

“1111” is illustrated in the combined index of the two foundation verses “[Genesis 1:1](#)” and “[John 1:1](#).” Remarkably at the [127,000th](#) position of pi, sandwiched between [144](#) (“The Elect”) and [26](#) (“The Lord”); God beams intense light on “[1111](#),” which the sum of its divisors at “[1224](#)” hold the value of “The Net” that can be factored as 8 x [153](#), 4 x [306](#) (“wife,” “honey”) and 2 x 612. While 2017 is the 306th prime number, “[612](#)” holds the value of “Scripture” and “Covenant.” Hebrews 11:11 reveals the reward of Sarah’s faith in the promise birth of Isaac when she delivered at [90](#) (“Water,” “King,” “Perfect”) while Abraham was [100](#) (“My King,” “Fire & Brimstone”) ([Gen 17:17](#)).

Through faith also Sara herself received strength to conceive seed, and was delivered of a child when she was past age, because she judged him faithful who had promised.
{Hebrews 11:11}

The combined ages of Abraham and Sarah of “190” years at Isaac’s birth, is also the sum of 37 plus 153. “[190](#),” (“[19th Triangle #](#)”), holds the value for “End,” “Time,” “Canaan” and “Rib.”

➤ From Chai Sarah 11/11/17 to Pentecost/Shavuot 5/20/18 are [190 days](#)

For when God made promise to Abraham, because he could swear by no greater, **he swore by himself, Saying, Surely blessing I will bless thee, and multiplying I will multiply thee.** And so, after he had patiently endured, he obtained the promise.
{Hebrews 6:13-15}

153 - 37 = “[116](#)” = “The Mouth of the Lord” (And the glory of the LORD shall be revealed...[Isa 40:5](#))
116 x 2 = “[232](#)” = “The Word of the Lord,” “Let there be light,” “The Blessing”
