

Breaking News:
"On the Brink of Glory & 666"

With time quickly winding down, this compilation is assembled for believers who desire to know and adhere to Christ's strict command to watch (Mark 13:34-37) for the timing of His return ([Rev 3:3](#)). Provided herein are the final three of over 100 progressive bible studies that conclude a 23-year faith walk in following the 11013 BC creation timeline that holds the flood at 4990 BC before the inspired global warnings at the *Jubilee Year Trumpets 1994 (2300 days from the new autonomous gospel period - Pentecost 1988)* and *Spiritual Judgment Day - May 21, 2011* when the ark door to salvation was shut exactly 7,000 years from the 7th day deluge. Recognizing that the next two annular solar eclipses (5/20/12; 5/9/13) matched Noah's dry-land rainbow date (Iyar 27) in sync with *Ascension Thursday - 5/9/13*; the count "in like manner" for the final Sabbath Journey rest to Christ's return began to unfold for the blessed who patiently wait "[1335 days](#)" (Dan 12:12) from the end of the rare *Blood Moon Tetrad at Tabernacles 10/4/15* for the divine manifestation of the promised kingdom of heaven. In short, the timing of the eternal revelation of the Sabbath Journey is unraveled by continuing in the watch from Noah's walk to Abraham's promise ten generations later whereby God promises Sarah: "At the time appointed I will return unto thee, according to the time of life..." (Gen 18:10, 14)

In the fall of the Sabbath Journey year - 2013, the inspired discovery of the hidden gematria biblical numeric value system of Hebrew and Greek letters in light of the 11013 BC calendar has enhanced the spiritual understanding to an accelerated level of prophetic wisdom beyond the imagination and rationale of man.

Of the myriad prophetic signs and time lines uncovered throughout this watch, understanding the numeric value of the first seven words (Gen 1:1) of the bible as **2701** (37 x 73) was fundamental in the development of knowledge leading to the ultimate timing of the end. Significantly, after the all dreadful end of salvation in 2011; recognizing the pivotal magnitude of Epic Chai Sarah on November 11 (11/11) in the anagram year **2017** was the key clue necessary to unlock the ultimate date that begins the physical manifestation at the end. Amazingly, the dry-land verse (Gen 8:14) that determines the final date at the end also holds same value of the creation verse (Gen 1:1) **2701**.

This prophetic revelation culminates from the comprehensive works of various independent sources collaborating history, science, gematria and the bible wheel structure with the timeline to glorify the Almighty Creator as the giver of wisdom from beginning to the end. Because the studies were progressively sequential, many of the highlights, revelations and illustrations are recited for the benefit of new readers as well as to reinforce comprehension for those who have followed along the way.

Just before stepping out to dry-land, Noah sent forth a dove three times to determine when the earth was dry. The numerical value for "dove" and "fullness" happens to be "[71](#)." From the fulfillment of Christ's fig tree prophecy 1948 to 2019 are 71 years. From *Epic Chai Sarah - 11/11/17* to *Traditional Memorial Day 5/30/19* are 568 days:

$$568 = 8 \times 71 \text{ "Dove," "Fullness"}$$

Approaching Dry-Land

The passing of the first anniversary of *Epic Chai Sarah-2017*, 11/11/18, means that the patience of the saints must continue as God has yet another interpretation in store for "[The Set Time Promise](#)."

But my covenant will I establish with Isaac, which Sarah shall bear unto thee **at this set time** in the **next year**. {Gen 17:21}

A year after the 2011 guaranteed spiritual judgment when the salvation door was shut; we recognized the "set time" as the *dry land date Iyar 27* ([Gen 8:14](#)) fell on the solar eclipse 5/20/12, 365 days from 5/21/11. The very next year, we discovered another *dry land Iyar 27* solar eclipse date that also merged with *Ascension Thursday* 5/9/13. Because of God's next year promise to Abraham ([Gen 17:21](#)); this date (5/9/13) towards Christ's "return in like manner" at the Ascension was realized to be the pivotal Sabbath Journey starting point grounded in proofs on "[Scales of Biblical Proportions](#)" for the progressing time paths in the countdown to the promise.

Now we shall consider if the second next year "Ascension Thursday" from *Epic Chai Sarah* 11/11/17 will also be the set time for the promise at the end of the Sabbath Journey in parallel to Pentecost. Since the year 2018 *Ascension Thursday* May 10th has already passed, the next year set time *Ascension Day* from *Epic Chai Sarah* 11/11/2017 will be May 30, 2019. Hezekiah's "Third Day" rapture ([2 Kgs 20:8](#)) from May 30 would be the dry land day of Iyar 27 ([Gen 8:14](#)) which falls on the 33rd Torah Portion Reading *Bechukotai* ("by my decrees") Saturday June 1, 2019.

Three years after the Civil War - May 30th began the original observance of Memorial Day in honor of US armed forces who died in service for over a hundred years from 1868 to 1970. Since 1971 the day is observed on the last Monday in May. "It marks the unofficial start of the summer..." ([Wikipedia - Memorial Day](#)). "227" factors the time path to last Chai Sarah 11/3/18 while sharing the gematria value of "Memorial" with "birthright," "firstborn" and "blessing." Christ's sworn fig tree parable relates "summer...at the doors" to the end of the world ([Matt 24:32-35](#)).

When his branch is yet tender, and putteth forth leaves, ye know that **summer** [is] nigh: So likewise ye, when ye shall see all these things, know that it is near, **[even] at the doors**. Verily I say unto you, This generation shall not pass, till all these things be fulfilled. **Heaven and earth shall pass away, but my words shall not pass away.**

Seemingly, a speculative stretch at the dismay beyond the 11/11/18 watch; this study will put to test the new interpretation leading to *Ascension Day 5/30/2019* and *Dryland date 6/1/2019*.

Since the watch of "[Creation to Omega](#)" we learned that from the very beginning first verse in the bible valued at [2701](#) (37 x 73) God secretly signaled the appointed time of *Epic Chai Sarah* (who was laid to rest in the promise land at 127) in the anagram year **2017** as the ultimate and critical prophetic pivot point at the end of the world's timeline.

The first seven words of the bible literally include the hidden word "'eth" ([H853](#)) for "sign" which is silently untranslated in the Hebrew text. Thus, if fully translated, the first verse would read:

*In the beginning God created "**the signs of**" the heaven and the earth.*

The gematria value for "eth" as well as the united first and last letters of the bible (*Aleph + Tav*) is "[401](#)," which means the translated value of Genesis 1 without the "sign" equates to 2300 (2701-401). "2300" is Daniel's answer of time for the saints by the Secret Wonderful Numberer.

And he said unto me, Unto two thousand and three hundred days; then shall the sanctuary be cleansed. {Dan 8:14}

Just as the flood served as a picture of *Judgment Day*; the rainbow at dry land serves as a picture of God "*remembering*" to make good on His promise of redemption (Gen 8:1).

And in the second month, on the seven and twentieth day of the month, was the earth dried. {Gen 8:14} = **2701** = (37 x 73) = Gen 1:1

And it shall come to pass, when I bring a cloud over the earth, that the bow shall be seen in the cloud: **And I will remember my covenant**, which [is] between me and you and every living creature of all flesh; and the waters shall no more become a flood to destroy all flesh. And the bow shall be in the cloud; and I will look upon it, **that I may remember the everlasting covenant** between God and every living creature of all flesh that [is] upon the earth. {Gen 9:12-17}

Falling 99 years since its previous occurrence, *The Great American Solar Eclipse* was the most widely viewed solar eclipse in recent times.

➤ From Great American Eclipse 8/21/17 to Dry land Day 6/1/2019 are [650 days](#)

650 = [13](#) "One," "Love" (Super Fullness) x [50](#) "Everything," "All" (Pentecost)

*Let no man therefore judge you in meat, or in drink, or in respect of an holyday, or of the new moon, or of the sabbath [days]: Which are **a shadow of things to come**; but the body [is] of Christ. {Col 2:16-17}*

Although the next year Memorial Day set time date appears rock solid; it would be prudent to also consider Hezekiah's second next year sign from 2017 *Epic Chai Sarah* to 11/1/2019.

- From *Guaranteed Judgment* 5/21/11 to Allhallowtide 11/1/2019 are [3087 days](#)

$3087 = 3 \times 3 \times 343$ "The Ark of God," "And God said" / "441" weeks $3^2 \times 7^2$, "Truth"

- From *Dry-land Ascension Day* 5/9/13 to Allhallowtide 11/1/2019 are [2368 days](#)

- From *ISON Thanksgivukkah* 11/28/13 to Allhallowtide 11/1/2019 are [2164 days](#)

$2164 = 2 \times 2 \times 541$ "Israel," "The Judgment," "The Commandments"

- From *Great American Eclipse* 8/21/17 to Allhallowtide 11/1/2019 are [802 days](#)

[802](#) Psalm [118:25](#) = 2×401 "Aleph + Tav," "The Lord hath done it" (Isa 44:23)

In the 2701 anagram year "2017" **Allhallowtide 11/1/17** fell a double double $666 + 666 + 153 + 153$ days from the *Dry-land Ascension - Solar Eclipse* 5/9/13. This was Hezekiah's sign to know when to go up being 10 days back from *Epic Chai Sarah* 11/11/17 ([2 Kings 20:8-10](#)). In light of the findings on [Scales of Biblical Proportions](#); the case for Allhallowtide 11/1/19 with a *Sabbath Journey* of 2368 days, the gematria value of "Jesus Christ," is simply staggering!

A complete *Sabbath Journey* of [2368 days](#) from 5/9/13 to 11/1/19 is extraordinary and cannot be set aside. Yet, a second “next year” set time ascension date from *Epic Chai Sarah 2017* falling on conventional *Memorial Day* 5/30/19 when God “remembers” must also be seriously regarded. How can these two dates five months apart be biblically reconciled? Unfortunately for the unsaved, according to *Revelation 9*, the end will come with five months of torment.

And to them it was given that they should not kill them, **but that they should be tormented five months**: and their torment [was] as the torment of a scorpion, when he striketh a man. And in those days shall men seek death, and shall not find it; and shall desire to die, and death shall flee from them. And the shapes of the locusts [were] like unto horses prepared unto battle; and on their heads [were] as it were crowns like gold, and their faces [were] as the faces of men. And they had hair as the hair of women, and their teeth were as [the teeth] of lions. And they had breastplates, as it were breastplates of iron; and the sound of their wings [was] as the sound of chariots of many horses running to battle. **And they had tails like unto scorpions, and there were stings in their tails: and their power [was] to hurt men five months.** {Rev 9:5-10}

During the Spiritual Judgment Day watch of 2011 many applauded the calculation of five months from May 21, 2011 to October 21, 2011 as God’s confirmation. But there were two huge problems with this interpretation: For one - after the finished testimony of May 21; the unsaved were relieved of being tormented and were actually rejoicing and making merry because their full end had not yet come ([Rev 11:10](#)). The other major problem was the fact that October 21, 2011 fell completely outside the eighth day of Tabernacles, which despite this was still being held as a harmonious time proof. But God is perfect and precise in his count of all things including His timetable. Although, the last (8th) day of Tabernacles in 2011 clearly ended [10/20/11](#) on the [Jewish calendar](#), the 2011 proclaimers who blindly trust their teachers over biblical authority never bothered to check or challenge this part of their proclamation.

As previously observed after the same set time consternation on May 30th, the time “to go up to the house of the Lord on the third day” ([2 Kings 20:8](#)) for God’s elect will be the dry land date (Iyar 27) on *June 1, 2019*. After the third day rapture, those who are left behind will face exactly [153 days](#) (5 months) of torment from *Dry-land Day* 6/1/19 to *Allhallowtide* 11/1/19.

And they heard a great voice from heaven saying unto them, Come up hither. And they ascended up to heaven in a cloud; and their enemies beheld them. And the same hour was there a great earthquake, and the tenth part of the city fell, and in the earthquake were slain of men seven thousand: and the remnant were affrighted, **and gave glory to the God of heaven.** {Rev 11:12-13}

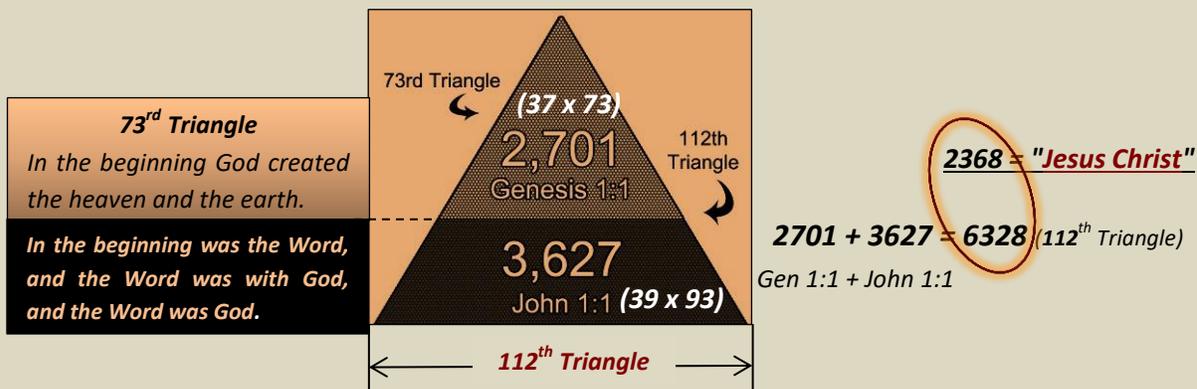

The immense magnitude of a closing 2368-day *Sabbath Journey* was previewed by the Lord Jesus Christ from the creation of time to the [Divine Countdown-1111](#) of *Chai Sarah - 2017*.

Divine Countdown "1111"

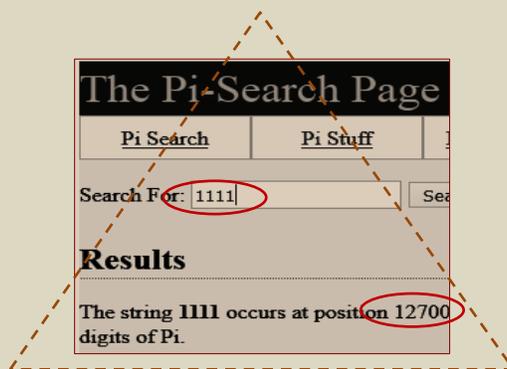

[Chai Sarah](#) 11/11/17 quietly marked the most paramount and ultimate signpost since the creation of the universe. This was not only the world's largest "[Single Merchandise Day](#);" 2017 was also the first time Chai Sarah fell on an "11/11" month/day in "73 years." "2017" is an anagram of "[127](#)" ([Sarah's rest in Canaan](#)) as well as "[2701](#)," the 73rd triangular number and the gematria value of the creation verse *Genesis 1:1*. "[2017](#)" is the 306th prime number which is the double of "153." The anagram of "0172" words in the Ten Commandments points to *Shavuot*.

"1111" is reflected as illustrated below in the united triangular values of *Gen 1:1* and *John 1:1*:

Genesis 1:1 and *John 1:1* together set the foundation of the bible forming the 112th triangle. "[112](#)" = "The Lord God," "**The KEY will open**" and "True." The total of the two "beginning - 1:1" passages of "6328" is an anagram for "Jesus ([888](#)) Christ ([1480](#))," which equates to "[2368](#)."

"[1111](#)" holds the value for "The Witness," "iota" and "The Foundations" and incredibly occurs at the 12,700th position of Pi.

The Mathew 5:18 words "**jot**" (1111) and "**tittle**" (137)" unites the values of "[1111](#)" with "[137](#)" underscoring Christ's sworn promise as doubly absolute.

For verily I say unto you, Till heaven and earth pass, **one jot or one tittle shall in no wise pass** from the law, till all be fulfilled. {Mat 5:18}

This passage echoes Christ's **sworn** 2,000-year prophecy of the national [Israel's rebirth](#) 5/14/1948 to signal and guarantee the last generation fulfilled "[70 years](#)" ago (Mat 24:3):

Verily I say unto you, This generation shall not pass, **till all these things be fulfilled.**
Heaven and earth shall pass away, but my words shall not. {Mat 24:34-35}

"137" is the [Fine Structure Constant](#) which defines light over matter - as the 137th letter in bible begins the 37th word "**light**" where God divides light from darkness ([Gen 1:4](#)) also predicted for the end of the world ([Joel 3:14-15](#), [Acts 2:19-21](#), [Mat 24:29-30](#)).

The sum of the 4 divisors of "**1111**" ($1+11+101+1111$) = **1224** "**The Net**" = 2 x **612**

"**612**" holds the value of the promise "**covenant**," which is harmoniously the result of 4 x 153.

$612 \times 2 = \text{"1224"} = \text{"The Net"} = 8 \times 153$

[Hebrews 11:1](#) defines faith as the evidence. "**111**" equates to the first Hebrew letter "Aleph" and "The beginning of wisdom," and occurs at the [153rd pi position](#). [Hebrews 11:11](#) points to result of Sarah's faith in the promise positioned at the **30,184th verse** in the bible:

*Through faith also Sara herself received strength to conceive seed, and was delivered of a child when she was past age, **because she judged him faithful who had promised.***

$30,184 = 88$ "Victory" x **343** ($7 \times 7 \times 7$) "Ark of the Lord," "And God said" (Let there be light...)

The [1111th verse](#) in the bible is when Joseph is sold to Egypt by his eleven brothers in retaliation for his dream that 11 stars bowed down to him ([Gen 37:9](#)).

*And they said one to another, Behold, this dreamer cometh. {Gen 37:19} = **1331** = 11 x 11 x 11*

Come, and let us sell him to the Ishmeelites, and let not our hand be upon him; for he [is] our brother [and] our flesh. And his brethren were content. {Gen 37:27} **Verse 1111**

While in prison, the chief cup-bearer ([H8248](#) - water giver) also "remembered" Joseph at the end of "two full years" to interpret Pharaoh's dream.

*And it came to pass at the end of **two full years**, that Pharaoh dreamed: {Gen 41:1}*

And Pharaoh said unto Joseph, Forasmuch as God hath shewed thee all this, [there is] none so discreet and wise as thou [art]: Thou shalt be over my house, and according unto thy word shall all my people be ruled: only in the throne will I be greater than thou. And Pharaoh said unto Joseph, See, I have set thee over all the land of Egypt. And Pharaoh took off his ring from his hand, and put it upon Joseph's hand, and arrayed him in vestures of fine linen, and put a gold chain about his neck; And he made him to ride in the second chariot which he had; and they cried before him, Bow the knee: and he made him [ruler] over all the land of Egypt. {Gen 41:39-43}

Deliverance Alas!

So teach [us] to number our days, that we may apply [our] hearts unto wisdom. Return, O LORD, how long? and let it repent thee concerning thy servants. {Psalm 90:12-13}

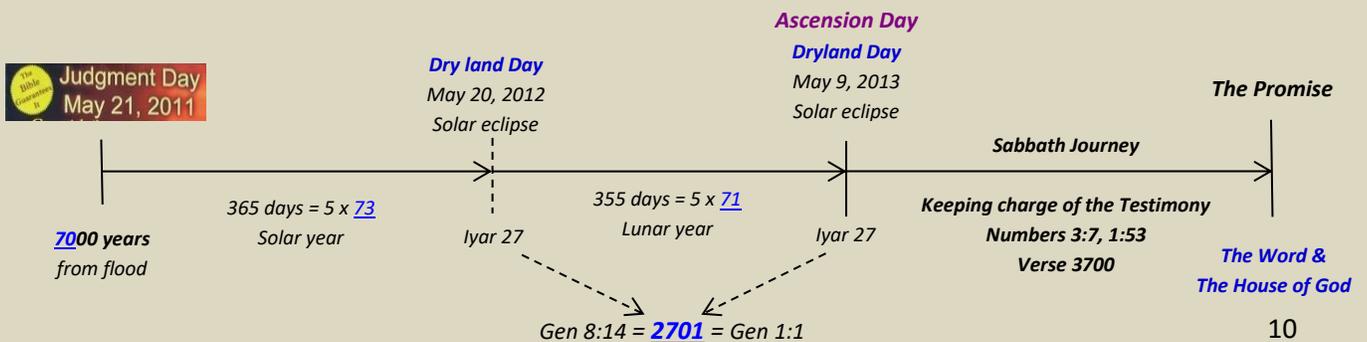

With [The Biblical Calendar of History](#) beginning at 11013 BC, the Lord has secretly veiled His prophecy behind the gematria system of numbers. Only by tracking the calendar in light of gematria could one obtain genuine conviction in unfolding the ultimate revelation of time. Without recognizing May 21, 2011 as the 7,000th anniversary of the 4990 BC flood, the spiritual gems of gematria remain a mysterious glimpse of glory. On the other hand, without the resource of gematria (66), those who recognize the 11013 BC creation and 4990 BC flood stand at the door missing [the key](#) to unlock the final determination of time.

After *The Biblical Calendar of History* was published in 1985, The Feast of Announcement - Sept. 6, 1994 was found to be 2300 days from Pentecost - May 22, 1988 when the task of the church was taken away ([Dan 8:11-14](#)) beginning the **trumpet time** to warn for the watchman ([Ezek 33:2-9](#)).

The 2300th day of "Announcement" 1994 projected **23 years** to the end of salvation when judgment was guaranteed May 21, 2011, which was the same Hebrew date *Iyar 17*; the 7,000th anniversary date of the flood, which was warned in "yet seven days" ([Gen 7:4](#), [II Pet 3:8](#)).

Yet, after the flood Noah and his family of eight remained on the ark a full year until God provided His dry land rainbow sign on *Iyar 27*. So too, 365 days after the May 21, 2011 judgment, God signaled His promise with a **solar eclipse 5/20/2012** for the watchmen still walking the timeline in faith. Just as God reiterated His promise to Abraham to be established in the birth of Isaac at the same set time in the **next year** ([Gen 17:21](#)); a second dry land solar eclipse followed on the very same dry land date (*Iyar 27*) in the next year **5/9/2013**. This time the solar eclipse coincided with *Ascension Thursday*, which began the steadfast disciples' Sabbath Journey countdown "in like manner" to Christ's promised return at the end ([Acts 1:10-12](#)).

Significantly, “according to the time of life” Noah’s repeated promise to Abraham was sealed when Sarah was laid to rest in the promise land of Canaan at age 127 - **2960 years** after the flood. The announcement at Trumpets 1994 was also **2960 years** from 967 BC when Solomon laid the foundation of the temple. While all can marvel at the extreme patience of God, gematria wisdom determines the number “**2960**” as the value for the phrase “**Son of Man**” which was Christ’s self description. 2960 is the double value for “**Christ**” **1480** ($1480 \times 2 = 2960$).

Noah’s Flood	4990 BC		Solomon’s Foundation	967 BC
Sarah’s Rest	2030 BC		Jubilee Announcement	1994 AD
Difference	2,960	2,960 = 37 x 80	Difference	2,960
	Years	Key Factors		Years

The number of 2300 days to 1994 answered the saints by the [Wonderful Numberer](#) Christ Himself (Dan 8:13-14). Mocked as a failed-proof prophecy, 1994 was actually a huge milestone year in the world’s history on par with Sarah’s rest in Canaan and the foundation of the temple. The alarm announcement Trumpeted in 1994 (*2300-day Tribulation from Pentecost 88*) laid the foundation for the guaranteed judgment of *May 21, 2011* (*23-year Tribulation from Pentecost 88*). We shall see later that the understanding of 1994 unlocks one of the bible’s ultimate puzzle of time.

While some so heedlessly dismiss the harmonious 11,013 BC calendar as a conjured up scheme, no serious watcher can deny that God provides a variety of time-clues that implicate a specific calculated time. These familiar prophesies include: “70 weeks determined” ([Dan 9:24](#)), “a Sabbath day’s journey” ([Acts 1:12](#)) to the promise, “a time, times, and an half” ([Dan 12:7](#)) “1335 days” for the blessed ([Dan 12:12](#)), “2300 days” for the temple to be cleansed ([Dan 8:13-14](#)), the last generation of the fig tree “in leaf” ([Mat 24:32-35](#)), “after 40 years” of searching ([Num 14:34](#)), “1290 days” ([Dan 12:11](#)), “1260 days” of prophecy ([Rev 11:3](#)), “For yet a little while” ([Heb 10:37](#)), “a space of 1600 furlongs” ([Rev 14:20](#)) and “the number of man...666” ([Rev 13:18](#)).

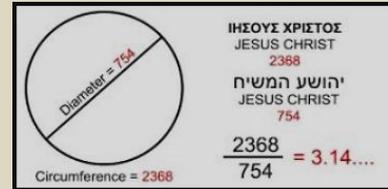

As referenced in the number 2960, the unyielding counting of days has eventually led to an appreciation for the biblical code of [gematria](#), which applies numeric values for letters, words and phrases that enhance spiritual understanding. Because numbers are objective, their ongoing discernment builds faith and strengthens conviction for those obeying the command to watch. However, in a country where only 10% of the population manually prepare their own taxes, most people have no mathematical tolerance to discern the biblical significance of numbers. Ironically, more than 1/3 of the population habitually gamble with numbers in stocks, casinos, lotteries and sports. To ignore biblical numbers, is to gamble on the warnings of God.

The book of Queen Esther of “127” provinces ([Est 1:1](#)) celebrates the Feast of Purim, which means *lot*, where the wicked gambled daily to destroy the queen’s people on a specific day. The story unfolds in a series of irony and twists of fate that turn the evil scheme upside down. In the end, the wicked get destroyed by their subordinates on the very same day their ruse was set.

Yet, the **Wonderful Numberer**, whose name identifies with eternity, has meticulously incorporated the creation gematria value of **2701** (37×73) as well as the “never-ending” constant **Pi** (*28 times the product of the letter values divided by 7 times the product of the word values* = 3.1459) in the very first verse of the bible 13,031 (**83** Bread of Life x **157** New Covenant) years ago.

Gen 1.1

$$\pi = \frac{\text{The number of letters} \times \text{the product of the letters}}{\text{The number of words} \times \text{the product of the words}}$$

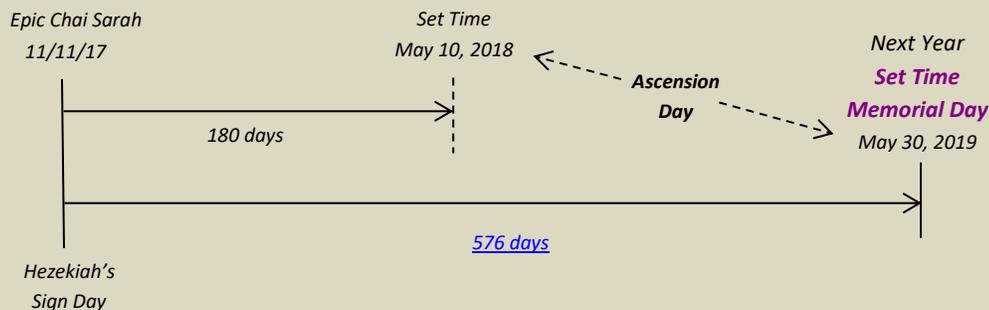

7 Words & 28 Letters

Word Values of Genesis 1:1						
In the beginning	Created	Created	Untranslated	The Heaven	And	Earth
913	203	86	401	395	407	296

= 2701 (37 x 73)

In doing so, God covertly pointed to the appointed time of *Epic Chai Sarah 11/11* (who was laid to rest in the promise land at 127) in the anagram year **2017** as the pivot marker to count the next two final dry land dates ahead to determine the beginning of eternity.

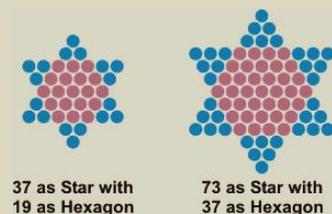

576 = “Tenth,” “Spirit,” “Enoch with God,” “Trumpet”
180 = “The Face,” “Journey”

This lesson of counting two dryland dates ahead was learned by discovering “the beginning” of the Sabbath Journey in 2013 from watching two successive dry land eclipses (5/20/12 and 5/9/13) that followed the guaranteed judgment date 5/21/11 when sadly the world’s hope for salvation had quietly ceased like a thief in the night.

Mathematically the result of 37×73 , **2701** is the product of “wisdom” which equates to the ordinal and standard value of 37 and 73 respectively. “37” pairs with 73 and 19 as an extremely rare Centered Hexagon/Star number.

Wisdom חכמה	37 = 8 + 11 + 13 + 5 (Ordinal Value)	
Hokmah	73 = 8 + 20 + 40 + 5 (Standard Value)	

37 / 73

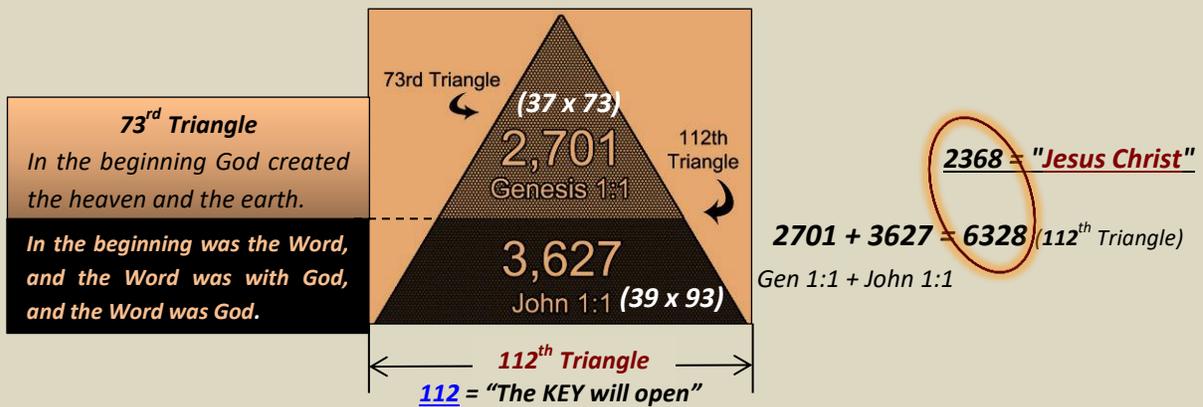

According to the [Bible Wheel](#), there are **only 12 Hexagon/Star numbers less than ten thousand trillion.**

1, **37**, 1261, 42841, 1455337, 49438621, 1679457781, 57052125937, 1938092824081, 65838103892821, 2236557439531837, 75977114840189641

“37” is the only such number other than 1 that’s less than a thousand, and happens to be most prominent in the very first verse of the bible. 37 years after giving birth to Isaac as God had promised, Sarah was laid to rest in the promise land of Canaan at 127 ([Gen 23:1-2](#)).

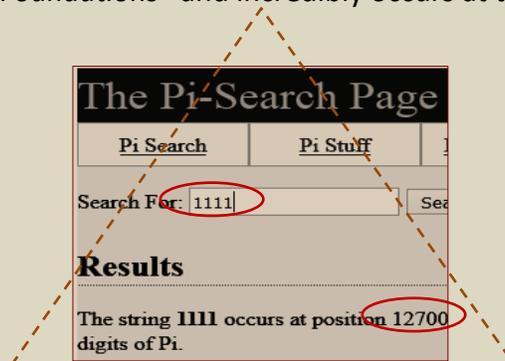

The extreme rarity of 37 only begins to put in perspective the remarkable correlation of *Chai Sarah* “11/11” 2017 with the magnificent geometric design illustrated graphically below in the united triangular values of *Gen 1:1* and *John 1:1*:

While underscoring the Lord God as author “*In the beginning,*” “2701” harmoniously also holds the value of Noah’s dry land rainbow verse for Iyar 27 which dates the new beginning.

And in the second month, on the seven and twentieth day of the month, was the earth dried. {Gen 8:14}

“1111” being the value for “*The Flood*” means we can identify *Epic Chai Sarah* 11/11/17 as the time to count the next two dry land dates ahead. “1111” also holds the value for “*The Witness,*” “*iota*” and “*The Foundations*” and incredibly occurs at the **12,700th** position of Pi

The Mathew 5:18 words "**jot**" (1111) and "**tittle** (137)" unites the values of "**1111**" with the mysterious fine structure constant "137" (Abraham's age when Sarah was 127) underscoring Christ's sworn promise as doubly absolute.

For verily I say unto you, Till heaven and earth pass, **one jot or one tittle shall in no wise pass** from the law, till all be fulfilled. {Mat 5:18} ([Mat 24:35](#))

The intimacy between π and the fine structure constant is imprinted in the sum of the squares of the first 7 digits of π : $\pi = 3.141592\dots$: $3^2 + 1^2 + 4^2 + 1^2 + 5^2 + 9^2 + 2^2 = 137$

Supreme Assurance

For when God made promise to Abraham, because he could swear by no greater, he sware by himself, Saying, Surely blessing I will bless thee, and multiplying I will multiply thee. And so, after he had patiently endured, he obtained the promise. For men verily swear by the greater: and an oath for confirmation [is] to them an end of all strife. {Hebrews 6:11-16}

The Faith of Sarah - Hebrews "11:11"

Through faith also Sara herself received strength to conceive seed, and was delivered of a child when she was past age, **because she judged him faithful who had promised**.

The study "[Approaching Dry-land](#)" harmonizes clear corroborating evidence that concludes a set time promise starting a 3rd day rapture from 5/30/19 with an extended five months of torment to Allhallowtide 11/1/19 ([Rev 9:5,10](#)). Two of the primary proofs from the *Sabbath Journey dry land solar eclipse 5/9/13* are highlighted below:

- From Dry-land Ascension Day 5/9/13 to Third day - Dry Land 6/1/19 are [2,215 days](#)

$$2,215 = 5 \times \underline{443} \text{ "The Word," "The House of God"}$$

- From Dry-land Ascension Day 5/9/13 to Allhallowtide 11/1/2019 are [2368 days](#)

$$2368 = \text{"Jesus Christ"}$$

As noted, 2960 is double the valued for the name *Christ* "[1480](#)" (5 x 296). $296 \times 3 = \text{"888"}$ which is the numerical value of "*Jesus*" and "*the salvation of our God.*" "[296](#)" holds the value for "*the earth*," which is the "*last word*" of the first verse of the bible. 296×8 equals the value of "*Jesus Christ.*" As trumpeted by the watchmen, falling 2960 years from Solomon's Temple 967 BC, 1994 was the year the foundation was laid for the return of the Lord Jesus Christ.

$$37 \times 80 = \text{2960} = 370 \times 8$$

$$\underline{80} = \text{"Pefected" "Finished," "Foundation," } \underline{370} = \text{"Ruler," "House"}$$

In the **37th** book of the bible, the **“tenth”** minor prophet Haggai (*meaning “feast”*) provides the month and date to consider for when the foundation was laid.

¹⁸ Consider now from this day and upward, from the four and twentieth day of the ninth [month, even] from the day that the foundation of the LORD'S temple was laid, consider [it]...²⁰ And again the word of the LORD came unto Haggai in the four and twentieth [day] of the month, saying, ²¹ Speak to Zerubbabel, governor of Judah, saying, **I will shake the heavens and the earth;** {Hag 2:18-21}

➤ From Kislev 24, Nov 28, 1994 to Set Time 5/30/19 are [8,950 days](#)

The woman saith unto him, **I know that Messias cometh, which is called Christ: when he is come, he will tell us all things.** Jesus saith unto her, I that speak unto thee am [he]. {John 4:25-26}

Geometry: The branch of mathematics that deals with angles, lines, shapes and space.

“Gematria or gimatria is a traditional Jewish system of assigning numerical value to a word or phrase, in the belief that words or phrases with identical numerical values bear some relation to each other, or bear some relation to the number itself as it may apply to a person's age, the calendar year, or the like. Although the term is Hebrew, it most likely derives from Greek *geōmetriā*, “geometry”, which was used as a translation of *gēmaṭriyā*, though some scholars believe it to derive from Greek grammateia (knowledge of writing), rather; it's possible that both words had an influence on the formation of the Hebrew word... Although ostensibly derived from Greek, it is largely used in Jewish texts, notably in those associated with the Kabbalah (“mysticism”). The best-known example of Gematria is the Hebrew word Chai, which is composed of two letters which add up to **18**...”

“Chai” is the Hebrew word for life as in Epic “Chai Sarah.” “**18**” is the sum of **6 + 6 + 6**.

In Genesis “**18**,” God reiterates His promise for Sarah:

¹⁰ And he said, **I will certainly return unto thee according to the time of life**; and, lo, Sarah thy wife shall have a son... ¹⁴ Is any thing too hard for the LORD? **At the time appointed I will return unto thee, according to the time of life**, and Sarah shall have a son. {Gen 18:10, 14}

The Mathew 5:18 words “**jot**” (1111) and “**tittle** (137)” unites the values of “**1111**” with “**137**” underscoring Christ’s sworn promise as doubly absolute.

For verily I say unto you, Till heaven and earth pass, **one jot or one tittle shall in no wise pass** from the law, till all be fulfilled. {Mat 5:18}

This passage echoes Christ’s 2,000-year **sworn** prophecy of national **Israel’s rebirth** 5/14/1948 to signal and guarantee the last generation fulfilled 71 years ago. “**71**” equates to “fullness” and “dove” which indicated dry land to Noah. The tremendous weight of Christ’s pledge cannot be overstated.

Verily I say unto you, This generation shall not pass, **till all these things be fulfilled. Heaven and earth shall pass away, but my words shall not.** {Mat 24:34-35}

The entire earth’s duration from creation 11013 BC to the end 2019 will be **13031 years** as sworn in **Mark “13:31”**

Heaven and earth shall pass away: but my words shall not pass away.

13031 is the result of 83 x 157 signifying “the bread” (**83**) of life leads to “the new covenant” of “everlasting salvation” (**157**). “**1331**” holds the value for “live long” and Gen **37:19**.

And they said one to another, Behold, this dreamer cometh. (Gen 37:19) = 1331 = 11 x 11 x 11

8 verses later, the **1111th verse** in the bible is where Rueben (**7 x 37**) spare’s the life of Joseph, who is sold to Egypt by his eleven brothers in retaliation for his dream that **11 stars** bowed down to him.

Come, and let us sell him to the Ishmeelites, and let not our hand be upon him; for he [is] our brother [and] our flesh. And his brethren were content. {Gen 37:27} **Verse 1111**

“137” is the **Fine Structure Constant** which defines light over matter - as the **137th letter** in bible begins the **37th word “light”** where God divides light from darkness (**Gen 1:4**) also predicted for the end of the world (**Joel 3:14-15, Acts 2:19-21, Mat 24:29-30**).

"And God saw the light, that it was good: and God divided the light from the darkness." Gen 1:4

2019 is the Hebrew year 5779. 5779 is the sum of the **666th prime** (4973) and **666th composite** (806) numbers. 4973 + 806 = 5779. While a **prime number** is a whole number only divisible by 1 and itself, a **composite number** is a multiple of least two numbers other than itself and 1.

The 666th composite number 806 equals 2 x 13 x 31

The sum of the 4 divisors of "1111" ($1+11+101+1111$) = 1224 "The Net" = 2×612

"612" holds the value of the promise "covenant," which is harmoniously the result of 4×153 .

$$612 \times 2 = \text{"1224"} = \text{"The Net"} = 8 \times 153$$

Hebrews 11:1 defines faith as the evidence of things unseen. "111" equates to the first Hebrew letter "Aleph" and "The beginning of wisdom," and occurs at the 153rd pi position. Hebrews 11:11 points to result of Sarah's faith in the promise positioned at the 30,184th verse in the bible:

*Through faith also Sara herself received strength to conceive seed, and was delivered of a child when she was past age, **because she judged him faithful who had promised.***

$$30,184 = \underline{88} \text{ "Victory"} \times \underline{343} (7 \times 7 \times 7) \text{ "Ark of the Lord," "And God said"} (Let there be light...)$$

From God's promise to Abraham at verse 400 (Gen 17:2) to the faith of Sarah at the 30,184th verse (Heb 11:11) equals $24 \times \text{"1241"}$ which holds the value of "Pentecost." $30,184 - 400 = \mathbf{29,784}$.

The 666th verse (Gen 25:7) of the bible reveals Abraham lived for *175 years*.

And these [are] the days of the years of Abraham's life which he lived, **an hundred threescore and fifteen years.** {Gen 25:7}

175 is the sum of the first 37 digits of pi. "175" holds the numerical value for "cloud" and "open."

As by definition [Ascension Thursday](#) - May 30, 2019 falls on a Thursday. Three days forward will be Sunday June 2nd the morning or latter part of the evening/morning dry-land day Iyar 27 / June 1, 2019. This neatly parallels the three days of Christ's victory at Calvary to the Resurrection. June 2nd not only happens to number the [153rd day of the year](#), it is also harmoniously celebrated as "[Jerusalem Day](#)," which is national Israel's observance of the unification of Jerusalem.

Iyar 28 was designated as Jerusalem Day after its unification in 1967 when Israel gained full control of the East to unify the ancient Holy City on the "[third day](#)" of the [Six Day War](#). It was the first time Jerusalem was fully unified since prior to its prophetic destruction in 70 AD, which fell *37 years* after Christ's prophecy on the Mt. of Olives in 33 AD.

In Chai Sarah Epic year 2017, the U.S. Senate passed a resolution commemorating the 50th anniversary of reunification of Jerusalem. The unanimous resolution reaffirmed the [Jerusalem Embassy Act](#) relocating the US embassy to Jerusalem, which has been deferred by every president since its inception in 1999. However, in December of 2017 present President Trump [recognized Jerusalem as Israel's capital](#), and ordered the relocation of the embassy which subsequently ensued May 14, 2018 on the 70th anniversary of Israel's Independence in 1948.

Yom Yerushalayim

[Jerusalem Day](#) - is the most recent addition to the [Hebrew calendar](#). It is celebrated on the 28th day of Iyar (six weeks after the [Passover seder](#), one week before the eve of [Shavuot](#)). In 2019, Yom Yerushalayim falls *June 2nd*. Although Jerusalem has been considered the capital city of the Jewish people since the time of [King David](#) — who conquered it and built it as the seat of his monarchy in approximately 1000 B.C.E.— there has never been a special day in honor of the city until the Israeli army took over the ancient, eastern part of the city on the third day of the [Six-Day War](#) in June 1967.

Shortly after the *Six-Day War*, “a municipal unification” of the two sections of the city took place, ending 19 years of separation between predominantly [Arab](#) and Jewish suburbs of Jerusalem, following the [War of Independence](#) in 1948. (Excerpt from [myjewishlearning.com](#))

In spite of the overwhelming signs God has graciously provided in plain sight, one may wonder how it could be possible that the last days of the world could dwindle down so quietly undetected by the great body of diverse churches peppered around the world.

One should recall that when the few disciples posed the question of “*when?*” on the Mt. of Olives, Christ had just judged and departed from the magnificent Temple that drew great admiration.

And as he went out of the temple, one of his disciples saith unto him, Master, **see what manner of stones and what buildings [are here]!** And Jesus answering said unto him, Seest thou these great buildings? there shall not be left one stone upon another, that shall not be thrown down. And as he sat upon the mount of Olives over against the temple, **Peter and James and John and Andrew asked him privately, Tell us, when shall these things be? and what [shall be] the sign when all these things shall be fulfilled?** {Mark 13:1-4}

And Jesus went out, and departed from the temple: and his disciples came to [him] for to shew him the buildings of the temple. And Jesus said unto them, See ye not all these things? verily I say unto you, There shall not be left here one stone upon another, that shall not be thrown down. And as he sat upon the mount of Olives, **the disciples came unto him privately, saying, Tell us, when shall these things be? and what [shall be] the sign of thy coming, and of the end of the world?** {Mat 24:1-3}

The physical destruction of the Temple came 37 years later on *Tisha B' Av* in 70 AD. Clearly Christ is using the fate of the Temple as an analogous to His return and the end of the world. However, the question is more succinctly answered in verse 32 when Christ places the burden on the *last generation* disciples to “*learn*” the parable of the fig tree coming to leaf in 1948.

³² Now learn a parable of the fig tree; When his branch is yet tender, and putteth forth leaves, ye know that summer [is] nigh: So likewise ye, when ye shall see all these things, know that it is near, [even] at the doors. Verily I say unto you, **This generation shall not pass, till all these things be fulfilled.** {Mat 24:32-34}

40 years after Israel's 1948 fulfillment as the fig tree in leaf; likewise the church was cut off by God on Pentecost May 22, 1988, which was the 13,000th anniversary of the world and precisely **23 years** before the guaranteed end of salvation on *Spiritual Judgment Day May 21, 2011*. [1260 days](#) later, fell *Allhallowtide 11/1/2014*, which coincided with the 259th (7 x 37) anniversary of the [Great Lisbon Earthquake of 1755 AD](#). The Lisbon Earthquake should serve as a resounding warning on the "[Scales of Biblical Proportions](#)" for anyone who needs to trust in sight to recognize the apostolic signs from God.

Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number [is] **Six hundred threescore [and] six.** {Rev 13:18}

Here God underscores the words "six hundred threescore and six" as the number of man by enumerating total letters value at 666. Those with knowledge of gematria also recognize the number 666 being highlighted in the first verse of the Word at the beginning of creation. "2701" = 666 + 666 + 666 + 703, and is the result of 37 x 73. "666" is the result of 37 x (6+6+6).

As a sign provided from the very beginning, the value of **the last** words "and the earth" in [703](#) is the central theme encompassed by the number of man - 666. 703 is the result of 19 x 37. While [37](#) is the value of "the heart" and "wisdom;" "19" relates to physical manifestation holding the value for "Behold," "the earth" and "He shall come." Appropriately, for the year 2019: the Strong index [G2019](#) is held for the Greek word *epiphōneō*, which means "to call out" or "shout."

In Gen **12:7** "the LORD appeared unto Abram, and said, Unto thy seed will I give this land..." when he was 75 years old ([Gen 12:4](#)). Abraham's seed was born **25 years** later when he was 100 years old ([Gen 21:5](#)). Another 37 ahead, Sarah was laid to rest in the promise land of Canaan at **127** years old ([Gen 23:1-2](#)) in 2030 BC - 2960 years after the flood (4990 BC).

The inspiration of the Jubilee year 1994 fell 2960 years after foundation of the temple 967 BC. 2019 will also be **25 years** from the present day promise sounded by the watchmen in 1994.

This study concludes that the rainbow on the dryland dates signaled the promise and timing for eternity at the end. Two rainbow dates beyond May 21, 2011 determined the beginning of the *Sabbath Journey* countdown on *Ascension Day 5/9/13*. This was [719 days](#) from 5/21/11. “[719](#)” holds the value for “**beginning**.” Two rainbow dates after *Epic Chai Sarah 11/11/2017* determined the ultimate timing for the manifestation at the end - *Traditional Memorial Day 2019*. As both the beginning creation verse (Gen 1:1) and ending dryland date verse (Gen 8:14) share the same numeric value 2701; the words “**rainbow**” (*signaling the new beginning*) and “**omega**” (*the last letter of the Word*) both also share the same numeric value of “[800](#).”

The Hebrew year for the spring of 2019 is 5779. 5779 is prime number [758](#), the value of “**rest**.” 5779 is the sum of the 666th prime number - [4973](#) and the 666th composite number - 806 (2 x 13 x 31). The 666th composite number 806 is the double of “[403](#),” which holds the value for:

“**In Everlasting Remembrance**,” “**And God called**,” “**Winepress**”
 “**By all that proceeds from the mouth of the LORD**” (Deu 8.3)
 “**The Fiftieth year**,” “**Thy Salvation Comes!**”

The hidden revelation behind “5779” prompts us to take a closer look at the digits of its corresponding year “2019.” Just as we’ve seen that 13031 can be written 1331; 2019 can also be written as **219**. “219” equals 3 x “[73](#),” the value of “**wisdom**.” Fittingly, “[219](#)” holds the value for “**the interpretation**” and “**created**,” which is emphasized three times in Genesis “**1:27**.”

So God **created** man in his [own] image, in the image of God **created** he him; male and female **created** he them. {Gen 1:27}

Wondrously, the sum of all four divisors (1 + 3 + 73 + 219) of 219 is the value for “**the earth**” “[296](#),” which is found in the very heart of the *Triune 666 Creation Triangle* [703](#):

296 x 3 = [888](#) “**Jesus**,” 296 x 5 = [1480](#) “**Christ**”
 296 x 10 = [2960](#) “**Son of Man**”

For the year of liberty 1776, we learn that America is a picture of the *New World* to come. 296 x 6 = [1776](#). Symbolically, America’s freedom was attacked on 9/11 nearly 18 years ago. It just so happens that a [Memorial Glade](#) will open to commemorate *post-911* victims on *May 30, 2019*.

➤ From 9/11/01 to *Traditional Memorial Day 5/30/19* = [6471 days](#)

6471 = 3 x 3 x [719](#) “**Beginning**,” [911](#) = “**The Beginning**”

“Not Many Days Hence”

On *Ascension Thursday*, 40 days after His resurrection, the eleven disciples witnessed Christ’s ascent from the village of Bethany ([Luke 24:50-52](#)). The definition of “Bethany” is twofold ([G963](#)). It can mean “*the house of dates*” or the “*house of misery*.” Certainly God has unveiled His glory in this watch with an infallible sequence of dates, which are despised by the naysayers.

As the beginning signal of the Sabbath Journey, the ascension was also testing point for the watchman. At Capernaum, Christ questioned those who murmured and tempted him.

[What] and if ye shall see the Son of man ascend up where he was before? It is the spirit that quickeneth; the flesh profiteth nothing: the words that I speak unto you, [they] are spirit, and [they] are life. But there are some of you that believe not. For Jesus knew from the beginning who they were that believed not, and who should betray him. And he said, Therefore said I unto you, that no man can come unto me, except it were given unto him of my Father. ⁶⁶ **From that [time] many of his disciples went back, and walked no more with him.** {John 6:62-66}

The testing programed is underscored by the *40-day* trial until the day He ascended.

Until the day in which he was taken up, after that he through the Holy Ghost had given commandments unto the apostles whom he had chosen: To whom also he shewed himself alive after his passion by many infallible proofs, being seen of them forty days, and speaking of the things pertaining to the kingdom of God: And, being assembled together with [them], **commanded them that they should not depart from Jerusalem**, but wait for the promise of the Father, which, [saith he], ye have heard of me. For John truly baptized with water; but ye shall be baptized with the Holy Ghost **not many days hence.** {Acts 1:2-5}

And while they looked stedfastly toward heaven as he went up, behold, two men stood by them in white apparel; Which also said, Ye men of Galilee, why stand ye gazing up into heaven? **this same Jesus, which is taken up from you into heaven, shall so come in like manner as ye have seen him go into heaven.** Then returned they unto Jerusalem from the mount called Olivet, which is from Jerusalem a sabbath day’s journey. {Acts 1:10-12}

Ten days later, the Holy Spirit was poured out on Pentecost when Peter explained ([Acts 2:16-21](#)) that the manifestation of the sun, moon and stars was already declared by the prophet Joel, who connected this even to **the end of the world.**

Multitudes, multitudes in the valley of decision: for the day of the LORD [is] near in the valley of decision. **The sun and the moon shall be darkened, and the stars shall withdraw their shining.** The LORD also shall roar out of Zion, and utter his voice from Jerusalem; and **the heavens and the earth shall shake**: but the LORD [will be] the hope of his people, and the strength of the children of Israel. {Joel 3:14-16}

Today, “*In like manner;*” Pentecost will fall **ten days ahead** from *May 30th* on Sunday *June 9, 2019*. This year Pentecost coincides with Shavuot - [Silvan 6, 5779](#).

Now here is the glory of God – “*And for that the dream was **doubled** unto Pharaoh **twice**; [it is] because the thing [is] **established by God**, and **God will shortly bring it to pass**” (Gen 41:32).*

➤ From Dryland Ascension Eclipse 5/9/13 to Pentecost/Shavuot 6/9/19 are [2,222 days](#)

But because the LORD loved you, and because he would keep the oath which he had sworn unto your fathers, hath the LORD brought you out with a mighty hand, and redeemed you out of the house of bondmen, from the hand of Pharaoh king of Egypt. {Deu 7:8}

Pentecost comes at the wheat harvest, which Jesus succinctly describes in the parable of the wheat and the tares as “*the end of the world.*”

*... the harvest is **the end of the world**; and the reapers are the angels. {Mat 13:39}*

As indicated by King Hezekiah ([2 Kings 20:5-8](#)), the bible consistently refers to a third day rapture, which means that the 3-day count will begin June 6 celebrated as the 75th anniversary of *D-Day*, which marked the beginning of the end of [World War II](#). This is the generation that Christ promised "**shall not pass, till all these things be fulfilled**" ([Mat 24:32-35](#)). As per King Hezekiah ([2 Kings 20:5-8](#)), the final 3-day count should begin *D-Day* 6/6/19.

And there shall be signs in the sun, and in the moon, and in the stars; and upon the earth distress of nations, with perplexity; the sea and the waves roaring; Men's hearts failing them for fear, and for looking after those things which are coming on the earth: for the powers of heaven shall be shaken. And then shall they see the Son of man coming in a cloud with power and great glory. And when these things begin to come to pass, then look up, and lift up your heads; for your redemption draweth nigh. {Luke 21:25-28}
